Heartiest congratulations to all the students of class X and XII in our wonderful SICA schools, Indore for their exceptional performance in the board exams. Your hard work, dedication, and perseverance have paid off and we are immensely proud of your achievement. Your success is not only a reflection of your brilliance but also a testament to the excellent motivation of your parents and peers.

A special word of appreciation to our teachers, who have been instrumental in shaping the minds of our future leaders. Your tireless efforts, endless patience and innovative teaching methods have undoubtedly played a significant role in helping our students succeed. Congratulations to my colleagues i.e. Trustees and support staff without whose guidance and active involvement a conducive learning environment cannot be established in the schools.

As you all embark on the next phase of your academic journey, always remember to stay focused, stay motivated and never lose sight of your goals. Keep working hard, believe in yourself and the sky will be the limit.

"Uddharet atmana atmanam

Natmanam avasadayet

Atmaiva hyatmano bandhur

Atmaiva ripur atmanah"

This beautiful Sanskrit shloka reminds us that we are our own friend or enemy, and we have the power to uplift ourselves or bring ourselves down. So let us all choose to be our own friends and achieve great heights in life. Congratulations once again, and wishing you all the very best for your future endeavours.
